

PONY HOSE!

You know how soon a boy or girl goes through a pair of Stockings—Stockings new on Sunday and gone Saturday night. At 25c a pair the Stocking which lasts a month longer than usual is a money saver; and Pony Stocking will do it—other things being equal, we could almost guarantee it. They wear better because they have better yarns, better dye, better fit and better finish. Triple knees, triple heels and triple toes—soft, elastic and perfectly fast dye. You'll save one third and lots of darning by buying Pony Hose.

Then there are the Wayae Knit kind for Women made by the same Manufacturer.

THE BEST SUITS IN AMERICA FOR \$15.00.

We are willing to be judged by our \$15.00 Suits. In the first place they are equal to the usual \$18.00 and \$20.00 Suits sold elsewhere. That's a saving to begin with. Then they are "Rosman Clothes" and that speaks volumes for their style, materials and workmanship. That's the whole thing in a nutshell. But another point is that there are hundreds of good dressers in town who think they are the best ever; and we want a lot more to try them who think that \$15.00 ought to buy a rattling good Suit. Better try one. A new lot of patterns just in from the "Rosman" workshop. Call and see them. There are some elegant brown styles among them.
